SURVEY NOTES:

Due to a low survey response rate, and in order for a greater chance of having a trip go, we have cut back on the number of trips we are offering this year. Please refer to our Trip Policies to see more about minimum numbers required (as determined by the travel agencies). All trips are scheduled through travel agencies.

At this time, we are unable to provide transportation to local venues through the center.

The Trip Survey was posted at the end of September through the end of October. Copies were available at the center, on our website and on our Facebook page. If you didn't get a chance to participate, and are an Ellington resident with a trip suggestion, please keep this in mind for next year. Thank You!

As trips are confirmed, flyers will be posted in the Information Center and on our website as they become available:
