SENIOR CENTER

40 MAPLE STREET • P.O. BOX 187
ELLINGTON, CONNECTICUT 06029
TEL 860 870-3133 • FAX 860 870-3136

Greetings!

Welcome to the Ellington Senior Center! I look forward to have you participate in the many programs we offer. Thank you for taking the time to complete the registration form within your information packet. Please complete the form and return it to the receptionist. Once you do this, then the receptionist will enroll you at the center and issue you a "MySenior Center" key tag. You use this key tag card to swipe each time you come to the center. Registration is done annually, so if some of your information changes during the year, please inform us to update your form. All information is kept confidential. The *Senior Center Handbook* is included in this packet for your reference.

The Senior Center also provides transportation services for residents who need rides to medical appointments, shopping and to the center. To register for this service, you need to contact the Transportation Office at (860) 870-3137. A transportation secretary is available Monday through Friday between the hours of 9:00 a.m. to 12:00 p.m., to assist you with your application and to provide you with policy and procedure guidelines specific to the program.

The monthly newsletter, "Maple Street News" is available for you to get at the center. Or, you can view program information on our website <http://seniorcenter.ellington-ct.gov>

If I can further assist you, please contact me via email egraziani@ellington-ct.gov or by calling (860)870-3133. I look forward to seeing you!

Sincerely,

Erin R. Graziani, Senior Center Director
